## **Report of Independent Registered Public Accounting Firm**

To the Board of Directors of  
**RE Investment Corporation and Subsidiary**  
Arlington, Virginia

We have audited the accompanying consolidated statements of financial condition of **RE Investment Corporation and Subsidiary** (the Company) as of December 31, 2014 and 2013, and the related consolidated statements of operations, changes in stockholder's equity, and cash flows for the years then ended. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall consolidated financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of **RE Investment Corporation and Subsidiary** at December 31, 2014 and 2013, and the results of their operations and their cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

The Computation of Net Capital Under Rule 15c3-1 and Reconciliation Pursuant to Rule 17a-5(d)(4) (the "supplemental information") has been subjected to audit procedures performed in conjunction with the audit of the Company's consolidated financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the consolidated financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the Computation of Net Capital Under Rule 15c3-1 and Reconciliation Pursuant to Rule 17a-5(d)(4)

## Notes to Consolidated Financial Statements

---

### 1. Summary of Significant Accounting Policies

#### *Nature of Operations*

RE Investment Corporation (RE Investment) was organized on May 1, 1990, as a District of Columbia corporation for the purposes of operating as a securities broker-dealer. RE Investment is registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). RE Investment re-incorporated in the Commonwealth of Virginia on July 6, 1995. RE Investment is part of an affiliated group of subsidiaries consolidated with National Rural Electric Cooperative Association (NRECA).

RE Advisers Corporation (RE Advisers), a wholly owned subsidiary, is an investment adviser registered with the SEC pursuant to the Investment Advisers Act of 1940. RE Advisers provides investment management and administrative services to Homestead Funds, Inc., an affiliate of NRECA.

NRECA provides personnel, property and services to RE Investment and RE Advisers (collectively, the Company), at a cost equal to the portion of NRECA's costs that are attributable to the Company.

#### *Consolidation Policy*

The accompanying consolidated financial statements include the accounts of RE Investment's wholly-owned subsidiary, RE Advisers. All significant intercompany accounts and transactions have been eliminated.

#### *Basis of Accounting*

The consolidated financial statements of the Company have been prepared on the accrual basis in accordance with accounting standards generally accepted in the United States of America.

#### *Cash and Cash Equivalents*

The Company considers all highly liquid investments with an original maturity date of three months or less and investments in money market mutual funds to be cash equivalents. The Company maintains deposits with high quality institutions in amounts that are in excess of federally insured limits; however, the Company does not believe it is exposed to any significant credit risk with respect to cash and cash equivalents.

#### *Fair Value*

Financial instruments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Under the fair value hierarchy, the inputs to valuation techniques are prioritized into the following levels:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

# **RE Investment Corporation and Subsidiary**

## **Notes to Consolidated Financial Statements**

---

**Level 2:** Inputs based on quoted market prices (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

**Level 3:** Inputs are unobservable for the asset or liability and rely on management's own best estimate of what market participants would use in pricing the asset or liability at fair value.

A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The investments in Homestead Funds, which are mutual funds, are considered Level 1, and measured at fair value on a recurring basis based on quoted prices for identical assets in active markets.

### ***Accounts Receivable***

Accounts receivable consist primarily of amounts due from customers for management fees.

### ***Fixed Assets***

Fixed assets are stated at cost less accumulated depreciation and amortization. Depreciation is computed using the straight-line method over the estimated useful lives of assets, which range from 3 to 15 years.

### ***Revenue Recognition***

Revenues from management fees and administrative fees are recognized in the period in which the service is rendered.

### ***Expenses***

Expenses are recognized by the Company during the period in which they are incurred. Expenses paid in advance and not yet incurred are deferred to the applicable period.

### ***Use of Estimates***

The preparation of the consolidated financial statements in conformity with accounting principles that are generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

### ***Income Taxes***

The Company is included in a consolidated income tax return filed by NRECA United, Inc., its parent company, and the provision for income taxes is computed on a separate company basis.

# RE Investment Corporation and Subsidiary

## Notes to Consolidated Financial Statements

The Company accounts for income taxes under the asset and liability method, whereby, deferred income taxes are recognized for the tax consequences of temporary differences by applying enacted statutory tax rates applicable to future years to differences between the financial statement carrying amounts and the tax bases of existing assets and liabilities.

The Company has adopted the accounting standard on accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Company may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses de-recognition, classification, interest and penalties on income taxes, and accounting in interim periods. The Company has analyzed its tax positions taken on tax returns for all open tax years, and has concluded that no additional provision or benefit exists. With few exceptions, the Company is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2011.

### 2. Investments In Homestead Funds

At December 31, 2014 and 2013, RE Advisers held shares in the Homestead Funds. These securities are reported at fair value with any unrealized appreciation or depreciation in value reported directly to income. Fair values of the securities are based on quoted market prices in active markets and are therefore classified as level 1 in the fair value hierarchy. There were no sales during the years ended December 31, 2014 and 2013, and no purchases, other than reinvestments of distributions. The fair value of RE Advisers' investments in the Funds at December 31, 2014 and 2013, are as follows:

<i>December 31,</i>	2014	2013
Short-Term Government Securities Fund	\$ 98,984	\$ 97,851

For the years ended December 31, 2014 and 2013, the Funds incurred the following management or administrative fees:

To pay such liability, RE Advisers will first waive or reduce its investment management fees or administrative fees as appropriate and, if necessary, will also assume as its own expense and reimburse each Fund for any additional excess amount. Additionally, in 2014 and 2013, RE Advisers voluntarily and temporarily reduced the

expense limitation of the Daily Income Fund in order to assist the Fund in maintaining a minimum yield due to low interest rates. Pursuant to the expense limitation agreements and additional voluntarily waivers, \$1,070,169 and \$1,085,846 of management fees were waived from the Funds for the years ended December 31, 2014 and 2013, respectively. Additionally RE Advisers reimbursed \$150,822 and \$110,249 in fees for the Daily Income Fund in 2014 and 2013, respectively, which is included in other expenses in the consolidated statements of operations.

Management fee income from these agreements was \$205,309 and \$178,210 for the years ended December 31, 2014 and 2013, respectively.

### 6. Regulatory Requirements

RE Investment is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2014, the Company had regulatory net capital of \$9,602,528 and a regulatory net capital requirement of \$171,229. The Company's ratio of aggregate indebtedness to regulatory net capital was .3 to 1 at December 31, 2014. On a stand-alone basis RE Investment has a ratio of aggregate indebtedness to regulatory net capital of 0 to 1 at December 31, 2014.

The following reconciles the Company's computation of net capital as reported in the unaudited Part IIA of Form X-17A-5 with the Company's computation contained herein:

Net capital as reported in the Company's Part IIA (unaudited)	
Focus Report	\$ 13,730
Plus cash balance of subsidiary	12,302,899
Less liabilities of subsidiary	(2,714,101)
Net capital per above	\$ 9,602,528

RE Investment operates under the provisions of Paragraph (k)(1) of Rule 15c3-3 of the SEC and, accordingly, is exempt from the remaining provisions of the rule. Essentially, the requirements of Paragraph (k)(1) provide that a broker/dealer whose transactions are limited to those involving redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, and who transmits all funds and delivers all securities received in connection with his activities as a broker/dealer, and does not otherwise hold funds or securities for or owe money or securities to customers, is exempt.

### 7. Income Taxes

**Independent Auditor's Report on Applying Agreed-Upon Procedures  
Related to RE Investment Corporation and Subsidiary's SIPC  
Assessment Reconciliation**

To the Board of Directors of  
RE Investment Corporation and Subsidiary

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 related to the Certification of Exclusion from Membership (Form SIPC-3) filed by RE Investment Corporation and Subsidiary (the "Corporation") with the Securities Investor Protection Corporation ("SIPC"), we have performed the procedures enumerated below with respect to the accompanying Schedule of Revenues for the year ended December 31, 2014, which were agreed to by the Corporation and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Corporation's claim for exclusion from membership in SIPC. The Corporation's management is responsible for the preparation of the Schedule of Revenues and compliance with exclusion requirements from membership in SIPC under section 78ccc(a)(2)(A)(ii) of the Securities Investor Protection Act of 1970 ("SIPA") for the year ended December 31, 2014. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared Total Revenues amount included in the Schedule of Revenues for the year ended December 31, 2014 to the total revenues in the Corporation's financial statements included in the audited Form X-17A-5 for the year ended December 31, 2014 noting no differences;
2. Compared the amount in each revenue classification reported in the Schedule of Revenues prepared by the Corporation for the year ended December 31, 2014 to the detailed management fee calculations noting no differences;
3. Tested the arithmetical accuracy of the Total Revenues amount reflected in the Schedule of Revenues for the year ended December 31, 2014 and in the related schedules to the detailed management fee calculations noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Corporation's claim for exclusion from membership in SIPC. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
